

# Trusted Strategies'

**3rd Annual Wine and Food Soiree for Charity** is an evening under the lights of the elegant Grand Ballroom of San Jose's **Sainte Claire Hotel**.

Plan to join us for the Third Annual Trusted Strategies Wine Soiree For Charity. Just around the corner from the RSA show, this eagerly anticipated, invitation-only event features the IT security industry people and companies you want to meet in a relaxed, convivial atmosphere. This year we are featuring fine wines from Concannon Vineyards and select hors d'oeuvres prepared by Il Fornaio restaurant.

As always, we'll mix CEO's from public and privately held IT security companies together with CIO's and CSO's from corporate and government organizations. Sprinkle in some venture capitalists, investment bankers and special guests, and you have the ingredients for another exciting, fun and worthwhile evening. Better still, your participation enables our generous sponsors to make contributions to HopeLab and the Hanna Boys Center.
